PROFESSIONAL SUMMARY

E-commerce and Digital Operations Executive with 15 years of experience leading end-to-end online retail operations, marketplaces, and omnichannel acquisition channels. Specialist in scaling GMV sustainably, managing complex commercial budgets, and protecting operating margins (P&L), with a proven track record of leading multidisciplinary squads and deploying enterprise technological infrastructure (Shopify Plus, Magento, ERPs, dynamic pricing algorithms). Data-driven approach focused on unit economics (CAC, LTV, ROAS, POAS) and catalog governance across high-volume B2C and B2B segments.

PROFESSIONAL EXPERIENCE

Rua do Café | Head of Marketing & E-commerce *January 2024 to May 2026*

- **GMV Scaling & Performance Management:** Directed the digital performance marketing budget across core traction channels (Google Ads and Meta Ads), sustaining a 66% MoM GMV growth rate.
- **Marketplace & Ecosystem Onboarding:** Led the technical and operational onboarding of 100+ partner retailers into the Shopify Plus ecosystem, deploying automated ERP synchronization and governance frameworks.
- **Organic Acquisition Efficiency:** Architected semantic SEO and e-commerce information structures that generated 45% of total Black Friday campaign revenue purely through organic channels, reducing reliance on paid ad spend.
- **Squad Leadership & Omnichannel Strategy:** Directed internal cross-functional squads and external partner agencies in omnichannel lead generation, assisted sales workflows, and brand activations at national industry trade fairs.

Sheetgo | SEO & CRO Optimization Specialist *January 2024 to October 2024*

- **CRO & Journey Optimization:** Increased average session duration by 20% and optimized conversion funnels in a global B2B SaaS environment through usability redesigns and user journey friction reduction.
- **Behavioral Analytics & A/B Testing:** Executed structured A/B tests and heatmap navigation analysis, aligning software product roadmaps with enterprise customer buying behaviors.
- **Global Traffic Governance:** Scaled international B2B acquisition in English with advanced funnel telemetry and attribution tracking.

Máquinas & Café | E-commerce & Marketplaces Manager *January 2014 to January 2024*

- **End-to-End Operational Leadership:** Directed all digital retail and marketplace operations, establishing the brand as the national digital leader in the espresso coffee machine segment across a 10-year tenure.
- **Linear Growth & Commercial Automation:** Governed Magento platform operations integrated with automated dynamic pricing algorithms and ERP systems, sustaining linear 20% YoY growth.
- **Funnel Scaling & Conversion Expansion:** Automated traffic acquisition and conversion workflows, generating a 50% increase in qualified traffic and a 30% expansion in the overall online store conversion rate.
